

INO/Charting System

Please ensure you have a JVM (Java Virtual Machine) loaded

Type in the URL:

<http://club.ino.com/members/charts/>

Please use the following user name and password to login:

User: cislindia

Password: cislindia

The applet may take a while to load, for the first time. After that the system will run fast. If you are running it when the NASDAQ is trading, you will see live-feeds. Otherwise it will work on history data.
